

Igniting Passions, Inspiring Minds, Transforming Futures

At The North-West

# Astronomy Festival 2013

Join us on Sunday 27th of Oct

'We're going on a Comet Hunt!'

11.00 am until 3.00 pm

learn about comets \* make a comet \* win a comet\* find a comet \*

In his presentation Nick Howes tells a 'Tail of Two Comets'

And shares the very latest data from observations of Comet ISON

Nick will also present a mini master-class on reducing data and finding asteroids and will answer all your questions about comets!

Entry tickets from Nick's presentation will enter into a draw to win a scale Model of Comet 103P Hartley/2 by the NASA EPOXI mission team.

**The Heath - Runcorn - Cheshire - WA7 4QX**

Entry £5pp - Under 16 free - tickets available on the website or on the door  
Presentation Nick Howes tells a 'Tail of Two Comets' £5pp - web booking advised!
