presents
in association with

Liverpool
City Council

Mission to the Moon

Celebrating the 50th Anniversary of Apollo 11
Completely Free - No Tickets Required - Suitable for All Ages

Saturday 20th July 2019 • 10:00 - 17:00

50 Years - to the day - since humanity first walked on the Moon

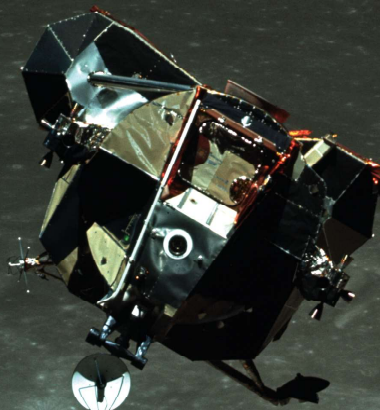

Liverpool Central Library, William Brown Street, L3 8EW

(Near to St. George's Hall, next door to the World Museum & the Walker Art Gallery)

Events, talks and exhibits to celebrate 50 years - to the day - since
humanity first walked on the Moon.

What was the Space Race? Why did we go to the Moon and how did we get there?
What does Moon-rock look like? How does a rocket work?
Find out the answers to these questions and more.

*Refreshments are available in the on-site café at the Library
(Please note that these will be charged at the Library's normal rates)*

Talks throughout the day

Each lecture lasts for approximately **1 hour** and will be presented twice during the day. We recommend seeing the main showing, as this will take place on the large stage in the **Discover Centre** area of the Library.

Main Showing	Smaller Showing	
10:40 - 11:40	13:20 - 14:20	Mr. Ken Clark (Hon. Vice President, Liverpool Astronomical Society) <i>"The Invasion of the Moon"</i>
12:00 - 13:00 16:00 - 17:00	n/a	Dr. Kevin Bowman (Senior Lecturer, University of Central Lancashire) <i>"Rocket to the Moon"</i> Note: both showings are in the Discover Centre
13:20 - 14:20	14:40 - 15:40	Mr. Martin Lunn MBE (Former Curator of Astronomy, Yorkshire Museum) <i>"The Moon, Our Neighbour"</i>
14:40 - 15:40	13:20 - 14:20	Mr. Pete Williamson FRAS (Astro Radio, SolarSphere Festival) <i>"From Myth to Moon"</i>

Desks, Stalls and Activities

Including:
