

Liverpool Astronomical Society

presents
in association with

Liverpool
City Council

Mission to the Moon

Celebrating the 50th Anniversary of Apollo 11
Completely Free - No Tickets Required - Suitable for All Ages

Saturday 20th July 2019 • 10:00 - 17:00

50 Years - to the day - since humanity first walked on the Moon

Liverpool Central Library, William Brown Street, L3 8EW

(Near to St. George's Hall, next door to the World Museum & the Walker Art Gallery)

What was the Space Race? Why did we go to the Moon and how did we get there?

What does Moon-rock look like? How does a rocket work?

Find out the answers to these questions and more.

Desks, Stalls and Activities

Including:

Astronomical Organisations from Across the Region and Surrounding Areas

VR Headsets • Information Desks • Videos • Hands-on Activities

Solar Telescopes to Safely View the Sun in Real-time (Weather Permitting)
